Chief Court of Mysore,
Bangalore,
Dated 2nd July 1918.

From

N. T. Gopaliengar Esq., B.A., LL.B.,
Registrar of the
Chief Court of Mysore.

To

C. S. Balasundaram Iyer Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

Adverting to Government Proceedings No.J.4131-2 /Cts. 157-17-4 dated the 9th April 1918 sanctioning the continuance of the Second Munsiff's Court at Tumkur for a further period of two years from 24th May 1918 and calling for separate proposals for any additional clerical establishment that may be needed for that Court, I am directed to state that the District Judge of Bangalore has forwarded proposals for strengthening the clerical and the process establishments by the addition of four temporary clerks, one on Rs.30/-, two on Rs.25/- each and one on Rs.20/-, and of four amins and 12 process peons, respectively, in addition to the already existing permanent and temporary establishments. The District Judge also proposes to give, during the continuance of the second court, a monthly allowance of Rs.15/- to the Head Munshi and of Rs.10/- to each of the Court and Process Nazirs on the ground that they have to do extra work. The District Judge further recommends that, in order to avoid the frequent taking of special advances from the Court, the permanent advance of Rs.300/- now allowed to the Process Nazir may be raised to Rs.500/-.

The

2. The Judges have carefully considered these proposals and think that the Head Munshi and the Court and Process Nazirs have really more work than they can possibly do properly by reason of the two courts working together. The granting of allowances to them cannot reduce their work nor give them relief and prevent the work running into arrears. They therefore recommend the appointment of three temporary clerks, one on Rs.35/- to assist the Head Munshi in checking plaints, comparing decrees, etc., one on Rs.25/- to assist the Court Nazir in maintaining the several ledgers and the deposit register, and a third on Rs.25/- to assist the decree-writer and indexing clerk.

3. To cope with the increased work in the process establishment, the Judges recommend that three second grade amins and four second grade process peons may be employed temporarily for the present. A separate clerk is not necessary to afford relief to the Process Nazir, but arrangements can be made to depute a senior amin to assist him in the distribution of processes and in writing up of his registers. The cost of the addition now proposed will be Rs.162/- as against Rs.307/- suggested by the District Judge.

4. I am to add that a proposition statement has been forwarded through the Comptroller for the additions suggested and to request that the Government may be pleased to accord early sanction to it.

5. The permanent advance of the Process Nazir, may, as recommended by the District Judge, be increased to Rs.500/-, the security of the Nazir being also increased to that amount.

I have the honor to be,

Sir,

Your most obedient servant,

R. Gopalan
